SUMMER CAMP 2021

Montessori Country School has been enriching the lives of children for over 49 years! Our school is on a beautiful corner lot with plenty of trees and sunshine. The large sunny classrooms are filled with Montessori learning tools and the playground is equipped with swings, slides, sand boxes and other fun play structures.

Friends & Summer Fun!

Come experience the fun of summer camp at Montessori Country School! Students will enjoy educational experiences offered through traditional Montessori instruction. Creative young minds will explore practical life, sensorial, math, language and geography alongside nature, and STEM activities. The Toddler program will follow their own themes and not be Montessori specific.
