SUMMER CAMP 2024

Montessori Country School has been enriching the lives of children for over 53 years! Our school is on a beautiful corner lot with plenty of trees and sunshine. The large sunny classrooms are filled with Montessori learning tools and the playground is equipped with swings, slides, a sandbox and other fun play structures. Our children love to explore hands-on in our outdoor learning environment with vegetable and flower gardens, composting, picnic tables, and a butterfly garden reading
